

The Jetstream range of quality tapware and pre-rinse units heralds a new era of reliable, quality tapware to the Australian market with an industry leading FIVE YEAR on-site parts and labour warranty – designed by professionals with the features you would expect for your kitchen.

Features like 256mm swing faucet on full height pre-rinse models, six star Wels rated spray gun and quality construction with 100mm levers with a choice of 100 or 200mm flick mixers and more.

Watermark approved and Wels rated to comply with all Australian regulations, and supplied with our exclusive FIVE YEAR on-site parts and labour warranty for real peace of mind.

All units come packed with full instructions, fittings and hose connections (model dependant).
